

## SITE PLAN FOR THE FINAL WEBSITE PROJECT (WINNERS BOUNTIFUL FOODS)

Logo:

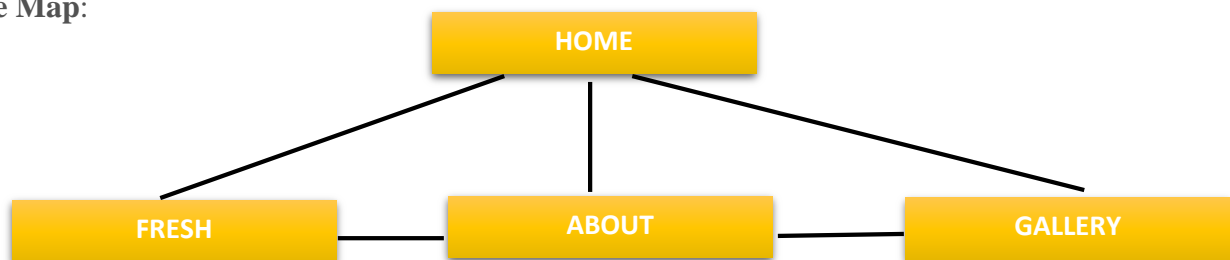

Winners Bountiful Foods website is a three pages' website that consist of the Home, About and Fresh. The Home page deals with the kinds of food we deal with and also images of fruit and produce including specialty fruit drinks that are ready to serve and made fresh. Fresh page is a form that allows users to fill to their own drink they want. About page also talks about the general information about Winners Bountiful Foods

**Site Purpose:** To give general information about Winners Bountiful Foods and also allow customer to order for drink through the site and contact us through the site for information or enquiries.

**Target Audience:** The target audience for this website is for both male and female no matter the age in Ghana and Africa. The site is for who love fruit and also care about his/her health.
